

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call 800-540-2583. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms, see the Glossary. You can view the Glossary at [MedMutual.com/SBC](https://www.MedMutual.com/SBC) or call 800-540-2583 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	\$3,750/single, \$7,500/family Network \$3,750/single, \$7,500/family Non-Network	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan , each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible .
Are there benefit changes related to COVID-19?	Yes, in accordance with Families First Coronavirus Response Act and Ohio Department of Insurance Bulletin 2020-05.	Testing for COVID-19 is covered with no member cost sharing. Also, all treatment related to a COVID-19 diagnosis is covered as an emergency service, at the in-network benefit level.
Are there services covered before you meet your deductible?	Yes. Certain <u>preventive care</u> and all services with <u>copayments</u> are covered and paid by the <u>plan</u> before you meet your deductible.	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible . See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	No	You don't have to meet deductibles for specific services.
What is the <u>out-of-pocket limit</u> for this plan?	Coinsurance Limit: \$2,500/single, \$5,000/family Network \$6,250/single, \$12,500/family Non-Network Out-of-pocket Limit: \$6,250/single, \$12,500/family Network \$10,000/single, \$20,000/family Non-Network	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan , they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.

Important Questions	Answers	Why This Matters:
What is not included in the out-of-pocket limit ?	Deductibles, premiums , balance-billed charges and health care this plan doesn't cover. Certain specialty pharmacy drugs are considered non-essential health benefits and fall outside the out-of-pocket limits.	Even though you pay these expenses, they don't count toward the out-of-pocket limit . The cost of these drugs (though reimbursed by the manufacturer at no cost to you) will not be applied towards satisfying your out-of-pocket maximums.
Will you pay less if you use a network provider ?	Yes, See MedMutual.com/SBC or call 800-540-2583 for a list of participating providers.	This plan uses a provider network . You will pay less if you use a provider in the plan's network . You will pay the most if you use an out-of-network provider , and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist ?	No	You can see the specialist you choose without a referral .

All **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies. Services with **copayments** are covered before you meet your **deductible**, unless otherwise specified.

Focus on the cost-sharing amounts (deductibles, copayments and coinsurance) and excluded services under the plan.
